

## Instructions for the use of IT systems

Each student, on the basis of a valid student ID, has an option of activating his account in the Eduroam system in order to use e-mail and wireless Internet (Eduroam wireless network operating at our University), the Office 365 system (student e-mail, MS Teams), Azure Dev Tools for Teaching, USOSweb and Moodle. You use the same account and login/password to all these systems.

**Account activation is possible on any device with Internet access**

**Website address:** <https://eduroam.ath.edu.pl/erasmus.aspx>

The screenshot shows a web browser window with the URL <https://eduroam.ath.edu.pl/erasmus.aspx>. The page has a navigation menu with links: Start, ERASMUS, Dostęp do Eduroam, Zmiana hasła, Lista uczestników, and Informacje o. Below the menu is a banner with binary code and the text: // Eduroam is an international r further education. The main content area is titled ERASMUS and contains a login form with two input fields: 'Nazwa użytkownika:' and 'Hasło:'. There is a 'Zaloguj' button and a link 'Zapomniałeś hasła?'.

**Login** (In Polish: **Nazwa użytkownika**): student index (ID number) + @student.ath.edu.pl, e.g., **E-1@student.ath.edu.pl**

**Password** (in Polish: **Hasło**): your initial password: first letter of your name + first letter of your surname + PESEL number (you will find the PESEL number on your ELS – student card). For example, initial password for **Adam Smith**, with the PESEL number 2200382020 is **as2200382020**.

**Step 2** Change the default password by filling the form fields correctly: Father's name; Password (old password); New password (minimum 8 characters); Repeat new password

**Step 3** Log in to the website by using new login details

**Step 4** Activate the Eduroam account after reading the regulations, by checking the acceptance box: „Chcę przystąpić do Eduroam” (Eng.: „I want to join Eduroam”)
